5. Contributions

Cheques for payment of contributions should be made payable to 'Carey Pension Trustees UK Limited'.

If regular contributions are to commence please complete the Standing Order Mandate included in the application.

Employer contributions are payable gross. This means that the amount of the contributions paid in to your SIPP are the amounts that will be credited to your SIPP. Personal and self-employed contributions are generally payable net of basic rate tax. This means that the amount of contributions paid in to your SIPP will be increased by the amount of basic rate tax Carey Pensions reclaims from HMRC. Carey Pensions will reclaim the basic rate tax from HMRC on contributions made by you or on your behalf unless instructed otherwise, providing we have confirmation you are a relevant UK individual who is under 75 years old and have details of your earnings. Tax can only be reclaimed up to relevant UK earnings or £3,600 gross (£2,880 net) if no earnings. Higher rate tax payers should reclaim the difference through their self assessment tax return. The basic rate tax relief will only be applied to your SIPP once HMRC pay the tax relief to Carey Pensions.

Please read the statements below and select the one that applies to you to confirm whether you are eligible for tax relief or whether any limits apply.

I have relevant UK earnings chargeable to Income tax or general earnings from overseas Crown employment subject to UK tax in this tax year (Carey Pensions will reclaim basic rate tax on personal contributions up to 100% of earnings or maximum personal allowance, whichever is the lower)

I have, or will have been a resident in the UK at some point during this tax year (Carey Pensions will reclaim basic rate tax on personal contributions up to 100% of earnings or maximum personal allowance, whichever is the lower)

My spouse/civil partner has general earnings from Overseas Crown employment subject to UK tax for this tax year (Carey Pensions will reclaim basic rate tax on personal contributions up to the gross of £3,600)

I am a non-UK resident and have had earnings that were subject to UK tax in one of the last five previous tax years immediately before this year

I, or my spouse/civil partner, are in Overseas Crown employment but for this tax year do not have relevant UK earnings subject to UK tax (Carey Pensions will not reclaim any tax relief on personal contributions)
