

The Carey Pension Scheme Self Invested Personal Pension (SIPP) Fee Schedule

IMPORTANT NOTES

These notes should be read in conjunction with the Carey Pension Scheme SIPP Terms and Conditions and Key Features Document

1. Carey Pensions is the administrator of your SIPP and as such, the fees charged by us are in relation to the processing and the administration of your SIPP only. Please note that Carey Pensions is not permitted to provide advice and we act on your instructions. Carey Pensions is also not an investment manager.
2. You must maintain a minimum balance of one year's annual administration fee in the designated account. Where there are regular payments debiting the scheme bank account an additional amount of one month's payment will be retained.
3. Our establishment and annual administration fee is payable in advance on the establishment of the scheme. The administration fee will be pro-rated from the date the scheme is established to 31st December of the same year.
4. All schemes are renewed on 1st January each year for the full year's annual administration fee.
5. Any transactions outside of the annual administration fee and as noted on this fee schedule will be invoiced and become payable on completion of the work.
6. All fees are deducted directly from the scheme bank account. Where there are not enough monies in the scheme bank account, we will disinvest the last purchased asset for the required amount as set out in the Terms and Conditions. Where this is not possible, you will be required to pay the fees directly, or make a contribution into the scheme to ensure outstanding fees can be collected.
7. All fees are to be paid within 30 days of due date and Carey Pensions reserves the right to charge interest on any amounts outstanding for longer than 30 days at 3% over base.
8. All fees are subject to VAT which is currently 20%.
9. Any additional work which we have to carry out in regard to the services noted in this schedule due to exceptional or complex issues, or any services additional to those noted in the schedule, and any work which we have to carry out in regard to changes to legislation or regulation will be charged and invoiced separately on a time-cost basis at a rate of £150 per hour. These fees will be agreed and communicated separately with you prior to commencement of the work by us.
10. Any transfers-in in excess of £5 million will be subject to higher establishment and annual administration charges and will be quoted separately on request.
11. Fees are reviewed periodically and at least annually. Any changes will be made in accordance with section 29 of the Terms & Conditions of the SIPP.
12. Fees may be payable to parties other than Carey Pensions, any costs and expenses incurred by such parties, as well as Carey Pensions' own out-of-pocket expenses and costs due to third parties relating to your SIPP, will need to be met by you. You should also note your general responsibility to Carey Pensions under section 22.3 of the Terms & Conditions of the SIPP.
13. The Carey Pension Scheme bank accounts are provided by a large and reputable UK bank and if any interest is paid it is paid directly into the scheme bank account. No amount of the interest is retained by Carey Pensions. Interest rates are variable and the current interest rate payable is 0% per annum.
